

The NHS Type 2 Diabetes Path to Remission Programme

Virtual patient event

Monday 14th April

13:00- 13:30

[Referrer website](#)

Help your patients take control of their health!

Momenta are hosting a virtual patient event about the 12-month NHS Type 2 Diabetes Path to Remission Programme!

How you can get involved:

1. Run a T2DR search to find eligible patients. [guide here](#)
2. Send SMS invite for the virtual patient event before 06/04/2025 [SMS here](#)
3. Momenta will host the event, booking system and collect patient details of anyone wanting a referral
4. Momenta will send you a list of your interested patients to call when this works for the practice
5. Referral appointments can be made via 5-10-minute phone calls.

If you'd like an overview of the referral process, please use the booking link [here](#) or email momenta.t2dr-mse@nhs.net

Why should you promote this?

- Time-effective
 - Informed patients more likely to start
- Can address other objectives (e.g extended hours, QOF)
